**CAPTAIN JIM ~
PIRATE
EXTRAORDINAIRE**

**MONDAY, JUNE 15
10:00 AM**

Captain Jim tells his tales of his ship that was attacked. It went down at sea and he lost part of his leg below his knee, but he is a survivor. "You can get through it if you put your mind to it" he says. The

Captain takes the students on a magical adventure back to this Magic Island that he now comes from. He performs large professional stage illusions to fun music. Real exotic birds appear and disappear along with fun audience participation.

More than the magic are the words of wisdom he speaks such as: be a survivor, always do your best, respect others, make the right choices in life. By the end of the program, after the audience has been amazed with the illusions, enjoyed the music and have been inspired with his words of wisdom, he then brings the show to a very surreal closing. Come and see what he uses to make a powerful ending to the show. With his magic, music and words of wisdom, Captain Jim is an educational inspirational symbol to all ages.

**ROGER DAY
LIVE!**

**TUESDAY, JULY 14
11:00 AM**

Encouraging kids to sing loud, jump high, and dream big, two-time Parents Choice Award-winner Roger Day entertains over 100,000 children and adults annually from The Target Children's Book Festival in Minneapolis to The Halton Theater in Charlotte. His energetic live shows incorporate his trademark wit, whimsy, and wordplay, all grounded in the joy of a powerful love and respect for children.

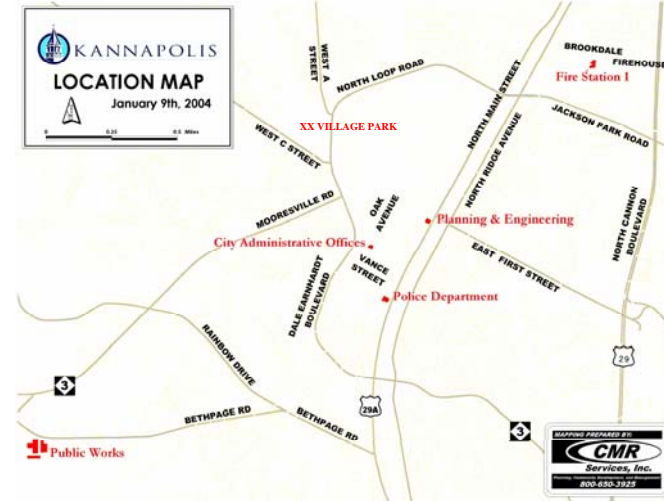

Roger creates an imaginary world populated by pachyderms, Sherpas, isopods, and Mosquito Burritos. Throughout, the predominant theme underlying the music's lively verbal gymnastics and colorful imagery is that of aspiration. Roger urges kids to reach their potential by using body and brain, mind and muscle. His intent is to empower children to follow their dreams and make a positive impact on the world.
